Send-A-Wish

Send the gift of a wish!

Celebrate the giving season by honoring your loved ones, friends, colleagues and clients in making the wish of a special child come true. The Make-A-Wish Foundation of Illinois offers a unique way to help spread joy and cheer this season through the simple gesture of sending one of our holiday cards.

The mission of the Make-A-Wish Foundation is to grant the wishes of children with life-threatening medical conditions and to help them experience hope, strength and joy thru their experience. Having a wish granted provides children and their families the opportunity to have a welcomed break from their difficult circumstances.

In the past year, the Make-A-Wish Foundation of Illinois granted over 700 wishes and was able to do so because of our generous constituents participating in programs like Send-A-Wish. As a result, children's wishes such as traveling to fantasy destinations, meeting favorite sports stars or having a Christmas in Chicago day were able to happen. Each wish granted is a reflection of a child's imagination and allows him or her to just be a kid again and to focus on the positive aspects of life.

Sending a holiday card designed by Make-A-Wish will bring joy to your recipients and help wish children have their dreams come true.

Our holiday cards can be personalized with a message, company name or logo. If the total donation is \$5,000 (an order of 250 cards), you will be the granter of one specific wish of a special child. You will be able to share the child's magical wish with all of your recipients, as his or her story will be incorporated into the card.

"I've adopted a wish through the Send-A-Wish Program now for seven years, and I fall in love with the stories. To hear about what these kids wish for, and then to imagine them just having the best time... I can't get enough of it. And then, to share those stories with my clients - I'm certain there's no better way to thank them for their business."
